Seeking a job with a well-respected firm that allows me to use my knowledge where I can expand my experience in the electrical engineering domain

EDUCATION

Master of science in Electrical Engineering

Lebanese International university

03/2021 - Present

Bachelor's of science graduate in Electrical Engineering

Lebanese International university

2016 - 2020

GPA:3.01/4

Courses

- Electric Machines- Electrical Systems Simulation
- Electrical wiring and Installation- Electromagnetic Fields and Waves
- Signals and Systems- Control Systems
- Introduction to Power Systems- Digital Control Systems
- Power Electronics 1 - Electric Circuits -Fundamentals of Digital Logic Design -Math-physics -Introduction to Programming(java)
- Microprocessors and Microcontrollers

WORK EXPERIENCE

Mathematics and physics teacher

École Hart Al Charfeh

10/2020 - Present

Rashayya

Teacher

- for grade 5-6-7-8

Contact: Mr. Hani Abou Ibrahim - +9613813145

Electrical Engineer(training period)

K.V.A.SAL

Rashayya

KVA is the electric Distribution Service Provider (DSP) for Beirut Municipality and Bekaa Valley service areas

Contact: Engineer Ramzi Abou derhamain - Phone number:+961 71802671

Mathematics and physics teacher

Institute of Scientific Excellence for private lessons

Rashayya

private Institute

Achievements/Tasks

- Math and physics teacher for grade 8-9-11

Contact: Teacher Firass kaed bay - Phone number :+96176071010

Electrical Engineer

Amin Abou Derhamin and Sons Co

Rashayya

private co

Achievements/Tasks

- Supervising and maintenance of electrical equipment in the firm

Contact: Mr. Raji Abou Derhamin - Phone number:+96170746166

SKILLS

MS Word

GIS

EXCEL

AUTOCAD

MAT LAB

Power point

java script

Arduino

Maltism

proteus

Internet use / zoom/windows metting /classroom

PERSONAL PROJECTS

- Implementation and control of multi renewable source power system.
- Wiring & installation for a single phase house
- Temperature Controlled System
- control your Room light by your Mobile
- CASCADE LAMP LIGHTENING
- liquid level controller
- Arthmatic logic units

CERTIFICATES

- Wiring & installation (11/2019 - 12/2019)
- Arduino workshop (04/2019 - 07/2019)
- LIU IACQA (08/2019 - 11/2019)
- ISO 19011
